

Climate Trends

Historical Climate Trends for Ottawa A, Ontario

Daily climate data from the Ottawa A weather station obtained from Environment Canada (Environment Canada, 2011). Temperature and precipitation data, for the years 1939 to 2010, are displayed annually and seasonally. Data was missing from the years 1939, 1992, and 1993. As a result, annual temperature and precipitation values could not be calculated for those years. Average temperature could not be calculated for winter 1993 and 1994, fall of 1993 and average maximum and mean temperature could not be calculated for the fall of 1939. Total precipitation values could not be calculated for winter 1993 and 1994 and fall of 1993.
