

Climate Trends

Historical Climate Trends for Ottawa CDA, Ontario

Daily climate data from the Ottawa CDA weather station obtained from Environment Canada (Environment Canada, 2011). Temperature and precipitation data, for the years 1890 to 2010, are displayed annually and seasonally. Data was missing from the years 1899, 1945, and 1951. As a result, annual temperature values could not be calculated for 1899, 1945 (max, min, mean) and 1951 (max). Total annual precipitation could not be calculated for 1899 and 1951. Average temperature could not be calculated for spring of 1899, fall of 1945. Total precipitation values could not be calculated for spring of 1899 and spring of 1951.
