

Climate Trends

Historical Climate Trends for Timmins, Ontario

Daily climate data from the Timmins Victor Power A and Timmins A weather stations obtained from Environment Canada (Environment Canada, 2015). Temperature and precipitation data, for the years **1956 to 2014**, are displayed annually and seasonally. Data was missing from the years 1979, 1992, 1993, 2012, and 2013. Precipitation data was not available for the years 2010 to 2014. As a result, annual temperature and precipitation values could not be calculated for those years. Average temperature could not be calculated for winter 1993 and 1994, spring 1993 and 2013, summer 1993, and fall of 1979, 1993, and 2012. Total precipitation values could not be calculated for winter 1993 and 1994, spring 1993, summer 1993, and fall of 1979 and 1993. Total precipitation values could not be calculated for all seasons from 2010 to 2014.
