

Worksheet for Module 7 – The Adaptation Team

Groups will be formed to explore the development of a cross-departmental adaptation team leading a municipality-wide process **or** a regional adaptation team that involves more than one municipality. Each group should keep notes of its deliberations on a flip chart and should appoint a reporter.

Each group will be asked to discuss:

Desirable Skills and Knowledge

What kinds of knowledge does the team need to have at the outset, or to develop as the work proceeds?

Members of the Team

Who should be on the team? (See the table on page 6 of the backgrounder for ideas.)
