

Climate Trends

Historical Climate Trends for Brockville, Ontario

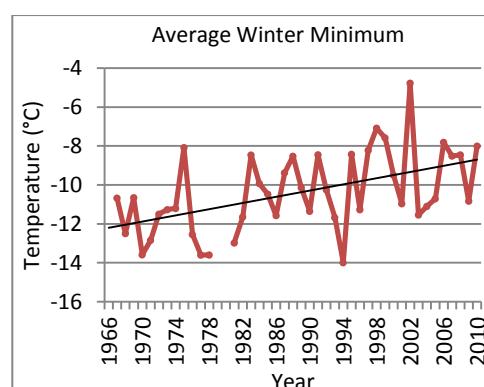

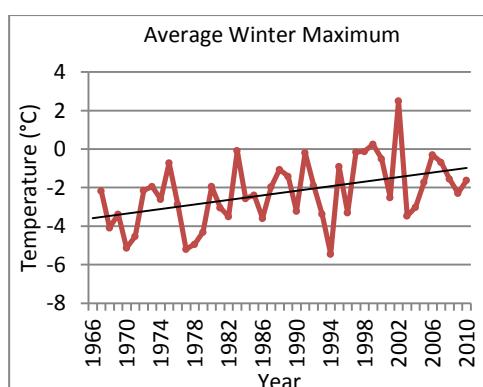

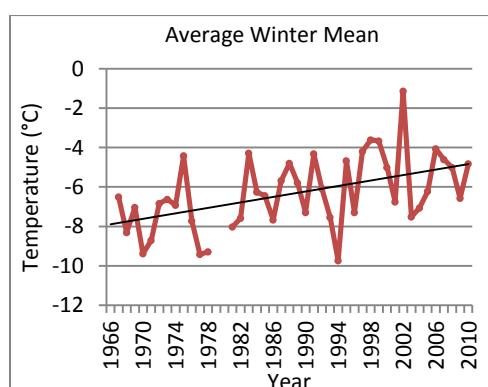

Daily climate data from the Brockville PCC weather station obtained from Environment Canada (Environment Canada, 2011). Temperature and precipitation data, for the years 1966 to 2010, are displayed annually and seasonally. Data was missing from 1970, 1978, 1979, and 1980. Average annual mean and minimum temperature could not be calculated for these years. Average annual maximum temperature could not be calculated for 1970 and 1978. Total annual precipitation could not be calculated for 1970. Average winter and summer minimum and mean temperature could not be calculated for 1979, and 1980.
